(4) Washers

Sign Installation

❶ **Install Mounting Blocks to the Wall**

Position the included paper mounting template on the installed pegboard mural.

Mark the anchor locations through the paper template.

Remove the paper template, insert the drilling anchors into the wall and twist until flush with the wall surface.

Fasten the mounting blocks to the wall using the included 1-1/2" screws & washers.

Marked Anchor Location

Anchor (Included)

Washer (Included)

1-1/2" Screw (Included)

Sign Installation

❸ **Mount "BORN IN" Black PVC Letters**

Center the included styrene template over the sign. The bottom of the template should rest on the top of the sign. Peel & stick the letters.

❹ **Mount Remaining License Plates**

The four loose license plates are marked with a number on the back side. Peel & stick to the sign. See drawing below for the coordinating locations.

Installed Mounting Block
